

PIER HEAD REFURBISHMENT - TENDER INVITE

Bangor City Council is currently undertaking the refurbishment of the superstructure of Bangor Pier.

This is an invitation to quote for undertaking the work as described in the schedule of works. Plans of the areas of work are be available on request

As the project may include some variation, as the contract proceeds, please give an elemental breakdown of the costs as per the schedule.

Due to the complexity of the contract the lowest price quoted may not be the successful contractor. The contract will be awarded following a meeting between the client, Bangor City Council, and its advisors Evans Wolfenden Partnership.

It is recommended that those interested in submitting a quotation visit the site to appraise themselves of the work.

An appointment is to be arranged through the City Council office, 01248 352421.

Please note the contract may be undertaken as Labour only, but to include all plant and consumables, or, a composite price to cover all aspects of the contract, i.e. labour, materials etc.

Your will need to detail in the quotation your preferred option, from the above.

The closing date for receipt at the Bangor City Council office is 18 June 2018 at 12.00 hours.

The quotation may be emailed to townclerk@bangorcitycouncil.com

or delivered to:
